Old business

The USDA Rural Development office of Wyoming legal counsel has rendered their opinion that we are an eligible entity to apply for an acquisition loan. We also received a UEI (unique entity identifier).

New business

As a result of the above developments the board discussed how to coordinate a community meeting – location, time, duration, material to be presented, and what we hope to accomplish. It is time to make sure the community knows what the board hopes to achieve regarding water system acquisition, the implications, and if there is community support.

Motion made to replace Durinda Fuller on the First Bank checking account signatories with Gerald Rock. Motion approved.

No other action taken.

Meeting adjourned at 9:05 PM
