Meeting agenda: Board president Dave Mosgeller presided over an informational meeting intended to gauge community support for the acquisition of the private water company supplying the Nordic Ranches Community Water & Sewer District with culinary water – NRW LLC. The meeting also satisfied a requirement of the USDA Rural Development Office of Wyoming acquisition loan process.

After the presentation a question-and-answer period was completed.

The meeting agenda notes and FAQs page are available on the district website
Nordicrancheswaterdistrict.org

The meeting concluded with those present completing a short survey asking for their name and if they supported the district's effort to pursue a USDA acquisition loan – yes_ or no_
All present voted yes.

Meeting was adjourned at 8:15 PM
